Dear Member of the Japan-Libya Friendship Association.

On behalf of the African Diplomatic Corps (ADC), I have the great pleasure to invite you to attend the 2010 Africa Day Symposium scheduled on the 26th of May 2010 from 2:00 to 5:30 pm in the U Thant International Conference Hall at the United Nations University (UNU) in Tokyo.

Jointly Organized every year since 2000 by the ADC and the UNU, with the active participation of the Ministry of Foreign Affairs of Japan, as part of the celebrations of Africa Day in Tokyo, the objective of the Symposium is to explore critical issues of the continent development and to broaden the understanding of Africa and its potential, especially among the Japanese audience, while highlighting the contributions of Japan.

This year's symposium subject is "The Environment: Challenges for Africa, the Role of Japan". Please find enclosed the program and a background note. Further information on the Africa Day Series is also available on the following webpage: <http://www.unu.edu/africa/africaday/>.

We invite you to register on-line at the following address: <http://www.unu.edu/reg/africaday/>

Looking forward, with great pleasure, to your participation in the symposium, I remain

Yours Sincerely,

Anagih A. B. ANAGIH
Chargé d' Affaires ad interim
